

The 4th Annual Global Impact Investing Conference

GLOBAL IMPACT INVESTMENT STRATEGY

Strategic & Practical Tools for Asset Owners, Family Offices & Institutional Investors

Conference – May 16th, 2019 – Mövenpick Hotel - Geneva

Turning Narrative into Action and Reality

Geneva, November 8, 2018

Dear Executive,

Impact investors, asset owners, investment and fund managers are activist investors who identify and assess **impact investee companies** that in turn need to communicate their **company commitment towards SDGs** through **KPIs** as **impact** is becoming the **3rd dimension after risk and return** to profile a targeted investee .

The conference will help address and assess the gap between supply and demand in both traditional and mainstream impact segments.

Join our high profile participants, speakers and partners in Geneva next May 16th, 2019 and participate to the interactive debates.

Kind Regards

François Golbery, Chairman
ESAFON

To know more about **ESAFON**, visit our web site:
<http://www.esafon.com>

ESAFON is an independent **non-profit Swiss Association** created 17 years by two partners **Anne & François Golbery** with the sole objective to drive the impact agenda forward and **encourage private and public investors** to use **impact investment** to **enhance financial and social returns, better manage risks** taking into account **externalities** and **engage** stakeholders within the impact ecosystem while preserving the interests of investees.

ESAFON has launched a **Swiss Impact Initiative** with the objective to **gather expertise to scale impact globally from Switzerland**.

This implies to transform the **Swiss Impact Investment Ecosystem** including private banking, philanthropic foundations, family offices as well as pension funds and life insurance/re-insurance to drive **economies of scale and collaboration amongst investors, intermediaries and investees**.

ESAFON is a Member of the **World Alliance for Efficient Solutions** set-up by the **Solar Impulse Foundation** sourcing **1000 investible solutions** to bridge the gap between economy and ecology and **fast-track clean global economic growth**.
